PODCAST POWER: RCM & BEYOND

Our flagship podcast series, RCM & Beyond, continued to grow in the first half of 2026, reaching eight insightful episodes featuring thought-provoking conversations on the trends shaping healthcare, finance, and global business

Hosted by **Neil Parekh**, CEO of Viaante, the series covers thought-provoking topics including AI in business, the UAE-India digital partnership, the future of UK F&A outsourcing, and shifting global business strategies offering practical insights for today's business leaders.

PODCAST POWER: FINANCE EDGE

Finance Edge is Viaante's dedicated podcast series exploring the evolving world of Finance & Accounting, outsourcing, automation, compliance, and global business trends. Hosted by **Ayesha Khan**, the series delivers practical insights to help finance leaders and accounting firms navigate today's rapidly changing business landscape.

With 5 engaging episodes published during the first half of 2026, the series has become a valuable resource for finance professionals, CPA firms, and business leaders seeking actionable strategies to drive growth, efficiency, and innovation.

MOMENTS AT VIAANTE

At **Viaante**, we mark every occasion with purpose and unity! Our **Fire Safety Drill** kept the whole team prepared, sharp and confident with hands-on evacuation practice. On 26th January, we honoured our nation's **Republic Day** with patriotic colours and pride. **Friendship Day** filled the office with warmth, bonding activities and the everyday camaraderie that makes Viaante feel like family, and **Valentine's Day** brought fun with a "Twinning" theme, complete with a photo booth and prizes. Every occasion at Viaante creates lasting memories, bringing us closer as one big family.
